

Teen Volunteer Inquiry

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.

--Margaret Mead

THANK YOU for your interest in volunteering at Wayside Waifs! Tails are wagging and cats are meowing in excitement over your participation. Volunteers play a vital role at Wayside Waifs, and your support directly impacts the quality of life for the thousands of animals who come through our doors each year.

Our Teen Program is for volunteers between the ages of 16 and 18. Upon receipt of your application, you will be notified of the dates for our next New Volunteer Orientation. Teens will be required to spend their first 25 hours working directly with the animals. Additional training is required for working with the animals, and training dates will be available at Orientation.

At Orientation you will be asked to complete a Volunteer Application. We ask our Volunteers to donate approximately eight hours a month, or an average of eighty hours each year, to be receive all volunteer benefits. Please print your responses clearly. Thank you again for your interest in Wayside Waifs! I look forward to meeting you soon.
